V. One hour with Europe webinar: "Long-term Competitiveness of the EU: Looking Beyond 2030" .....	2
VI. Nordic Innovation Fair .....	3

**I. 2023. Június 15-én nyílik meg az „ELKH Kutatói Mobilitási Program 2023” (kódszám: ELKH-KMP-2023) pályázati felhívás második fordulója (EN: The second round of ELKH Research Mobility Programme opens on June 15, 2023)**

A felhívás keretében 38. évüket még be nem töltött kutatók pályázhatnak rövid idejű mobilitásra, regionális megkötés nélkül. A program második fordulójában a pályázatok benyújtása 2023. június 15. napja 12:00 órától 2023. szeptember 15. napja 16:00 óráig lehetséges. A pályázatok beadása az első fordulóhoz képest változatlan feltételekkel zajlik.

A felhívás teljes dokumentációja letölthető az ELKH Titkárság honlapjáról, további részletek: [itt](#)

**II. Call for application for Slovak Academy of Sciences mobility programme IMPULZ**

On June 1, 2023, the Slovak Academy of Sciences announced a call for applications for the IMPULZ 2023 grant program. Internationally recognized scientists and highly talented young researchers have the opportunity to carry out their scientific goals in Slovakia under conditions similar to the prestigious European grant for the third time. Selected projects can apply for funds of up to € 160,000 per year. The call is open until August 31, 2023, the expected commencement of projects is in April 2024.

More information here: [Programme | Impulz \(sav.sk\)](#)

**III. Opening the second call of V4 Gen Mini-Grants**

Apply from June 1st, 2023 to share your ideas, meet your neighbors, make new friends, and gain skills and experience! Project drafts should be submitted by July 1st, 12 pm and your complete application must be submitted by July 15th, 12 pm.

The V4 Gen Mini-Grant program offers short-term mobility of youth in the age group 12–30. You and your partner organization can get up to €10,000 for any meaningful joint activities of youth in the region.

#### IV. Innovative Health Initiative (IHI) calls and info days

##### IHI call 4 (two-stage call)

- [Expanding translational knowledge in minipigs: a path to reduce and replace non-human primates in non-clinical safety assessment](#)
- [Patient-centric blood sample collection to enable decentralised clinical trials and improve access to healthcare](#)
- [Inclusive clinical studies for equitable access to clinical research in Europe](#)
- [Establishing novel approaches to improve clinical trials for rare and ultra-rare diseases](#)
- [Safe & sustainable by design \(SSbD\) packaging and single use device solutions for healthcare products](#)
- [Sustainable circular development and manufacturing of healthcare products and their quantitative environmental impact assessment](#)

##### IHI call 5 (single-stage call)

- [Accelerating the implementation of new approach methodologies and other innovative non-animal approaches for the development, testing and production of health technologies](#)
- [Development and proof of principle of new clinical applications of theranostics solutions](#)
- [Improved prediction, detection, and treatment approaches for comprehensive stroke management](#)
- [Maximising the potential of synthetic data generation in healthcare applications](#)

On 19-29 June 2023, IHI is organising an online event focused on IHI calls 4 and 5. The event will feature:

- Info sessions on IHI's rules and procedures for both calls
- An info session on the financial aspects of the single-stage proposal (for call 5 applicants)
- Sessions on the call topics. All topic sessions will include a presentation of the topic and time for questions and answers. In addition, the webinars on the call 5 topics will include pitches from applicants.

#### V. One hour with Europe webinar: "Long-term Competitiveness of the EU: Looking Beyond 2030"

A new appointment of One Hour with Europe webinar series is taking place on the Friday 23rd of June, 10:00 - 11:00 AM.

This time they will host Giulia Del Brenna, European Commission DG GROW Deputy Director of Strategy and Economic Analysis Directorate, Head of Strategy and Regulation: Single Market and Industrial Policy Unit, who will provide our guests with a presentation about the Post 2030 Long-term Competitiveness of the EU.

Programme and registration:

One Hour with  
Europe 23.06.23 - NTI

## VI. Nordic Innovation Fair

In Copenhagen on 25 - 26 September 2023, the Nordic Innovation Fair will showcase up to 130 business opportunities, offering a free and unique matchmaking and networking opportunity by bringing together all stakeholders across the innovation ecosystem.

Researchers and spin-outs from Sweden, Norway, Finland, Iceland, and Denmark will present their inventions with the aim of finding business opportunities for: licensing, co-development, research collaboration, funding and/or investment.

This year's categories are:

- Medtech & Diagnostics
- Biotech & Pharma
- Greentech & Food
- Digital Solutions

The event is for investors, industry, academic institutions, incubators, and other stakeholders seeking insight in the latest developments in the spectrum of natural sciences from the Nordic research institutions.
